A Commander S Way Erotic Romance

John Lippitt, George Pattison

A Commander S Way Erotic Romance:

A Commander's Way Arne Mellor, 2014-01-31 Vera Kressler doesn't take any prisoners in love or in war. Decorated mecha pilot Vera Kressler is handy in a firefight and is just one of the guys except she's drop dead gorgeous and entertaining some intense carnal fantasies about her hunky Commander Evan Frome. She will do everything in her power to have him in the flesh. Evan is aware of Vera's attraction towards him but keeps their relationship formal. After all, in the many desperate battles they had fought in the war, he knew that his orders could very well lead her to her death. But with the war over and won and with Vera's boldness and determination focused away from the battlefield and only on his seduction, it looks like the heroic commander would have to surrender. For adults only. Contains explicit details of sex between a man and a woman including oral sex and anal sex. SAMPLE 1 Slipping her bra straps off her shoulders, Evan reached behind her to undo her bra, exposing the firm rounded mounds of her breasts. The nipples were already fully erect in her excitement. She moaned as she felt his strong hands cup her soft flesh, his calloused fingers lightly brushing over the hardened peaks. She gasped in pleasure when his mouth enveloped one sensitive nipple, nibbling and licking wetly. Vera reached up, freeing her long dark hair to spill over her bare shoulders. His cock was rock hard when she reached down and surrounded it in her small fist. Mmmmmmm so big, she said appreciatively, lowering her mouth on him. Her pink tongue flicked out, tasting the tip of his cock. Lie back, Sir. I dreamed about doing this for you, she whispered, taking you in my mouth, all of it until you cum. SAMPLE 2 Shrugging the loosened blouse free of her well-toned shoulders, she let it fall carelessly. Her deft hands moved sensuously downwards, gliding across her flanks and her flat stomach. Eventually, she found the clasp of her dress skirt. With infinite care, she undid the fastenings, dragging the zipper all the way down to her thighs. I would do anything for him, let him take me anywhere in any position he wanted, Evan held his breath as her sleek thighs came into view, tanned soft and enticing in the dim light. Wriggling her hips wantonly, she let the skirt puddle around her ankles as she stepped out of it. Underneath, she had on a pair of sexy black thong panties which showed her ass to full effect. Evan let his gaze run over those sensuous curves, following her sleek legs all the way to her taut firm buttocks. And most of all, she breathed, I want him to fuck me senseless until I scream.

The Billionaire's Command: 7 (The Submissive Series) - BDSM Erotic Romance Short Story Ann

King, 2024-11-26 Part 7 in the steamy billionaire BDSM erotic romance serial. What would you do if you were a struggling college student offered one million dollars for thirty days of unforgettable passion with the hottest most eligible bachelor in New York? The catch: It will involve his deepest erotic fantasies. Problem: You're a smart-mouthed virgin who refuses to be bought. Strong-willed aspiring relationship therapist Cleo Samuel's life will never be the same again. She's struggling to stay in college, pay her bills, and help her father keep their family home from foreclosure. But then gorgeous billionaire tech god and nightclub owner Julius Knights steps into the picture, and her breath is stolen, her life is instantly flipped upside down. The chemistry is explosive between them. Cleo's never met a man who could rock her world in so many exotic ways. She comes

alive when she is with him Tormented by mixed emotions Julius thrills her and yet mystifies her at the same time To complicate matters a dark secret threatens to destroy their erotic relationship Will she stay or will she leave This book is intended for mature audiences **Becoming Two in Love** Roland J. De Vries,2013-07-25 This book draws Soren Kierkegaard and Luce Irigaray into conversation on the nature and ethics of sexual difference While these two initially seem like doubtful dialogue partners the conversation between them yields a rich and compelling account of intersubjectivity between man and woman an account that moves beyond the limited and tired debate over egalitarianism vs complementarianism Through engagement with Irigaray and Kierkegaard this book develops a constructive theological ethics of sexual difference that focuses on an epistemological and subjective gap that sets man and woman at a decisive distance from each other They are a mystery to each other Yet it is also an ethical framework that allows woman and man to encounter one another in ways that respect the independence subjectivity and becoming of each Above all this is a theological ethics of sexual difference that centers on Jesus Christ who is defined as the middle term in every relationship and whose love command defines the encounter between man and woman in difference **Love's Grateful Striving** M. Jamie Ferreira,2001-06-07 Soren Kierkegaard s Works of Love 1847 a series of deliberations on the commandment to love one s neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard s most important works He shows that Kierkegaard s deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation **No Vacancy: A Forced Proximity Erotic Romance** Kayla North,2022-07-31 A forced proximity erotic romance The setting A rural motel on Manitoba s Highway Five a safe haven at the center of a ruthless Canadian Prairie blizzard The greater predicament One last hotel room key and two travelers from different worlds in need of shelter from the storm Yet despite their misfortune fortune still favors the bold strangers Summer in all her radiance is bold enough to unsettle him and Grant is far too damned intrigued by her to resist **For Adult Users Only** Susan Gubar,Joan Hoff,1989 sophisticated provocative and thoroughly documented Strongly recommended Choice a welcome addition to the literature on this contentious issue Journal of Communication This book does an excellent job of portraying the complexity of the legal and philosophical debates among women about the status and effects of pornography and it is an important interdisciplinary scholarly contribution for that reason Signs In an attempt to advance our society s debate on pornography beyond the current political and legal stalemate these essays examine explicit portrayals of violence in pornography from multidisciplinary perspectives history literary criticism religious studies ethics political science film studies law and psychology **Love and Christian Ethics** Frederick V. Simmons,2016-12-15 At the heart of Christian ethics is the biblical commandment to love God and to love one s neighbor as oneself But what is the meaning of love

Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm. In *Love and Christian Ethics*, nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives. Chapters are organized into three areas: influential sources and exponents of Western Christian thought about the ethical significance of love; perennial theoretical questions attending that consideration; and the implications of Christian love for important social realities. Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith. William Werpehowski provides an afterword on future trajectories for this research. *Love and Christian Ethics* is sure to become a benchmark resource in the field.

Same-Sex Desire and Love in Greco-Roman Antiquity and in the Classical Tradition of the West Beerte C. Verstraete, Vernon L. Provencal, 2014-05-01

New and surprising insights into homoeroticism of times past. In ancient times the Greek god Eros personified both heterosexual and homosexual attractions. *Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West* explores the homosexual side of the vanished civilizations of Greece and Rome and the resulting influence on the Classical tradition of the West. Respected scholars clearly present evidence that shows the extensive nature of homoeroticism and homosexuality in the Classical world. Iconography such as vase decoration and carved gemstones is presented in photographs and the text includes an examination of a wide selection of literature of the times with an eye to opening new vistas for future study. *Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West* lays to rest the myths generally accepted as truth about Greco Roman views on homosexuality and brings fresh insights to philological and historical scholarship. This book provides nuanced humanistic discussions on the common phenomena of same sex desire. Topics include Greek pederasty and its origins, the Greek female homoeroticism of Sappho, homosexuality in Greek and Roman art and literature, and the emergence of the gay liberation movement with the influence of discussions of Greek and Roman homosexuality in the twentieth century. The text is extensively referenced and includes helpful notation. *Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West* provides a comprehensive table of abbreviations, subject index, and index of names and terms. It discusses in detail the integral role athletic nudity played in athlete trainer pederasty, the central role of pederasty in Greek history, politics, art, literature, and learning, tracing the history of the Ganymede myth, how the athletic culture of Sparta contributed to the spread of pederasty in Greece, homosexuality in Boeotia in contrast to the rest of Greece, the homoeroticism of Sappho, dispelling generally accepted myths prevalent about Roman sexuality, Roman visual representations of homosexuality as evidence of prevailing attitudes, homoerotic connotations in literature and philosophy of the Italian Renaissance, the effect of German classical philology on gay scholarship, English Romantic poets and the importance of male love in their lives, the Uranians' use of allusions and themes from ancient Greece, the building of intellectual community through gay print culture, and the use of

Greece and Rome as models and more Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West is essential reading for Classicists specialists in gender sexuality studies humanists interested in the classical tradition in Western culture psychologists and other social scientists in human sexuality *Love's Confusions* C. D. C.

Reeve,2009-07-01 Ranging from Plato to writers as diverse as Shakespeare Proust Forster Beckett Huxley and Lawrence Reeve brings the vast resources of Western literature and philosophy to bear on the question of love He invites us to think more broadly about love and to find the confusions that inevitably result to be creative rather than disturbing The

Implicit Theology of the Lord's Prayer Jan Muis,2021-01-15 The postmodern and secular culture of the West requires a new reflection on God The Implicit Theology of the Lord s Prayer A Biblical and Theological Investigation reflects on God on the basis of an original and central expression of the Christian faith the Lord s Prayer First Jan Muis interprets the divine names central to this prayer in their biblical contexts Next Muis understands the divine attributes implied by these names from the biblical narrative of God s self revealing actions and explains them in a contemporary framework God s Name indicates his particular personal presence and encounter with human beings The holiness of God s Name and the justice of his Kingship are more than just aspects of the love of the Father the Son and the Spirit The Creator is not a human blown large in his companionship with humans he remains the Exalted who lives both within and beyond created temporal reality In the context of a secular age Muis discusses in what sense this God exists *Erotic Love in Sociology, Philosophy and Literature* Finn

Bowring,2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day *Erotic Love in Sociology Philosophy and Literature* shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of

commercialized dating practices Arguing against the over rationalism of intimate life *Erotic Love in Sociology Philosophy and Literature* recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love *Dialectical Readings* Stephen N. Dunning,1997-07-18 Interpretation pervades human thinking Whether perception or experience spoken word or written theory whatever enters our consciousness must be interpreted in order to be understood Every area of inquiry art and literature philosophy and religion history and the social sciences even many aspects of the natural sciences

involves countless opportunities to interpret the object of inquiry according to very different paradigms. These paradigms may derive from the language we speak, the nature of our education, or personal preferences. The abundance and diversity of paradigms make interpretation both fascinating in its complexity and often frustrating for the conflicts it generates. In *Dialectical Readings*, Dunning distinguishes three types of interpretation, each defined in terms of a distinctive dialectical way of thinking: theoretical interpretation, which assumes binary oppositions; transactional interpretation, which seeks reciprocal relations; and transformational interpretation, which discerns paradoxical meanings. Dunning offers new and insightful readings of familiar texts by B. F. Skinner, Claude Lévi-Strauss, Lee Benson, Roland Barthes, Friedrich Nietzsche, and Michel Foucault, and sheds new light on works by Thomas Kuhn, Joseph Campbell, Reinhold Niebuhr, Søren Kierkegaard, Paul Tillich, and Paul Ricoeur. *Dialectical Readings* enables readers to recognize diverse dialectical approaches to understanding their own as well as those of others in a way that provides new and helpful insights into a wide variety of subjects in which conflicting interpretations abound.

Visions of Agapé Craig A. Boyd,2017-03-02 This book brings together philosophical and theological perspectives on agapistic love The aim of the text is to illuminate the nature of unlimited love by distinct and integrative approaches to the intersection of the divine and the human Various scientific approaches to human forms of love seem to shed light on our nature as social beings But to what extent are the natural desires for affection sexual love and friendship augmented revised perfected or replaced by the gift of grace In other words we can ask how is it that agap modifies or shapes the natural loves Diverse theological and moral traditions address the question in quite startling contrast

Thomists follow the dictum that Grace does not destroy nature but perfects it Lutherans draw a sharp contrast between law and Gospel while Wesleyans see charity as the sanctifying power of the Holy Spirit Some feminist theorists see the idea of self giving love as contrary to genuine self fulfilment while the neo Kantians see love as a duty to others and some Kierkegaardians see the command to love as an unusual manifestation of divine command ethics These diverse approaches in light of contemporary research in the natural and social sciences can provide fertile ground for the exploration of the intersection of human and divine love To date there is no text available that brings scholars from various theological and philosophical backgrounds together to engage in interdisciplinary dialogue on this important and much neglected aspect of research into the human and divine loves This book offers a significant attempt to remedy the situation

Waterloo and the Romantic Imagination Philip Shaw, 2002-07-23 Waterloo and the Romantic Imagination offers a new and challenging look at the cultural significance of the Battle of Waterloo and the impact it had on British Romantic culture Drawing on a range of approaches it aims to redefine the Romantic period as an age of inter and intra national conflict thus overturning conventional notions of The Romantic Project and re writing the period from first principles Topics covered include the impact of Waterloo on Romantic ideas of individual and national identity the representation of the dead and wounded in poetry painting and prose the work of canonical and non canonical poets

The God Who Loves and Is Loved Christian D. Kettler, 2019-11-12 Can there be a greater folly than writing a book about love But how can we avoid that most basic of all desires and commands Yet we are very poor lovers as our history demonstrates If God is love though can we find help in considering the love of Jesus Christ and the love of Jesus thought of in terms of what T F Torrance called the vicarious humanity of Christ This would mean that we realize our inability and the Son of God s ability to love on our behalf and in our place Such a love mirrors the love of the Son for the Father in the Spirit a love that reflects his eternal triune love Therefore could we have new perspectives on our relationships the love of ourselves of God and the neighbor How essential is love to being human and what kind of love What does it mean to love your enemies What is the relationship between justice and love And what are the fruits of love the evidence of genuine love Christian D Kettler explores these issues in the context of the living reality of the vicarious humanity of Christ

Living Christianly Sylvia Walsh, 2010-11 The pseudonymous works Kierkegaard wrote during the period 1843 46 have been responsible for establishing his reputation as an important philosophical thinker but for Kierkegaard himself they were merely preparatory for what he saw as the primary task of his authorship to elucidate the meaning of what it is to live as a Christian and thus to show his readers how they could become truly Christian The more overtly religious and specifically Christian works Kierkegaard produced in the period 1847 51 were devoted to this task In this book Sylvia Walsh focuses on the writings of this later period and locates the key to Kierkegaard s understanding of Christianity in the inverse dialectic that is involved in living Christianly In the book s four main chapters Walsh examines in detail how this inverse dialectic operates in the complementary relationship of the negative qualifications

of Christian existence sin the possibility of offense self denial and suffering to the positive qualifications faith forgiveness new life love hope and joy and consolation It was Kierkegaard s aim she argues to bring the negative qualifications which he believed had been virtually eliminated in Christendom once again into view to provide them with conceptual clarity and to show their essential relation to and necessity in securing a correct understanding and expression of the positive qualifications of Christian existence *Princess Sarai: Young Adult Space Opera Princess Science Fiction* Fleur Starr,2025-03-17 In this sequel to The Princess Versus the Princess Planet Prince Aiden Princess Sarai is now recognized as the shadow captain of the Gray Falcon But her powers are limited by more than the suspicions of the captain and his mutinous crew The ship was engineered with a dead man switch to make sure it delivers the prisoners in its hold to only one destination the ultimate hellworld Any diversion from a track that takes them directly there could trigger detonation And then the mutineers gain the upper hand Princess Sarai finds herself trapped in the hold of a ship that could blow at any minute Like her like her brother many of the condemned prisoners appear to be the innocent victim of political schemers How can she save them For that matter how can she save herself
