can grow strong enough to stop it Taran and her werewolf lover Gemini put plans in place to protect Celia Master Vampire Misha Aleksandr and his clan also swear their allegiance to Celia and vow to keep her from harm The witches even cast protection spells around the manor to curse anyone with malintent who enters Nothing was supposed to go wrong except everything did Creatures that shouldn't exist stalk the grounds and invade the premises and every curse meant to shield the guests turns against them No one counted on the powerful being who arrived uninvited But he's here manipulating the magic enclosing the estate to work in his favor As body counts rise and allies become enemies chances are Celia won't survive the night But evil never counted on how hard Taran Wird would fight even at the expense of her life *Gone Hunting* Cecy Robson, 2018-10-24 I need good characters in order to truly enjoy a book series NEED them This has been my main attraction to this series from the beginning it has such a great set of them Cecy continues to keep the Weird Girls series fun and exciting Christy's Love of Books The rest of the werewolf pack might consider Aric Connor to be omniscient and destined to save the world when evil returns to claim it But for the most part fifteen year old Aric ignores the confirmations of his powers taking everything in stride until he meets her Celia Wird wasn't supposed to awaken naked in the mountains of Colorado not when she was just stalking her prey in a filthy alley several states away She especially wasn't supposed to meet Aric the handsome werewolf who comes to her aid As a supernatural tasked with protecting the earth Aric sympathizes with Celia's dangerous situation He's also struck by her beauty and kindness Yet as much as Aric welcomes Celia her arrival isn't a peaceful one Dark forces stir in Celia's presence resolute on killing her Aric and his inner beast are adamant about keeping Celia safe and with them But there's a time and a place for love and Aric and Celia might not survive long enough to find it
