Book one Thankful A BDSM Secret Baby Romance James is the cure for my dead end sex life. He's been after me since learning I am miserable with Terry, my dim-witted boyfriend. I try to do the right thing and refuse James until I'm single. However, breaking up with Terry goes to hell fast when he gets violent. Out of the blue, James defends me from Terry and we get away. That night he gives me a taste of everything in sex that I've been missing. Naturally, I run away with him. Goodbye Terry, hello James. But James has a secret of his own: all the money he earns doesn't come from a usual occupation. I could deal with the fact that he's a professional jewel thief, but his crew scares me.

Book two Nobody's Girl A Billionaire Romance Novel I was left by everyone: my mom, my dad, and my step father. He promises he will never leave me and God help me, I believe him. Ivo Zacca, my husband, he's gorgeous, not that's not the right word. He's beautiful in every way: his face, his body, his mind. His kindness. Nobody that beautiful should be that sweet. Sweet but an animal in bed, God. He thinks I married him for convenience to get away from my asshole of a step father. I'll let him think that because then maybe it won't be so painful for him when they tear me away from him when they come for me. When they kill me, I'll never let you know. Ivo, how happy you have made me, how much I love you. Because fairy tales always end.

Book three His Brother's Wife A Billionaire Romance I'm going to take Amalia for her very first time. Hell, I might even fall in love with her for my very first time. I know it from the moment I first lay eyes on her seductive curves. There's only one problem. That moment happens to be when she is walking down the aisle to marry my hateful half brother, Jackson. I'm his illegitimate half brother, the black sheep playboy of the family. I'm used to doing what I want. And now what I want to do is Amalia. To have my way with her while she submits to my every command. But her father has sold her off to Jackson as part of a business deal. Fulfilling our desires could mean she's disowned and Jackson's wrath could destroy both of us. He'd better be ready for the fight of his life because I'm going to take what I want, which is Amalia over my knee and then on her own knees for me. And I know from the look in her sultry eyes that she wants to give me what I want, no matter the cost. **An**

The Billionaire's Secret Heir Evelyn Hart,2025-02-12 I never imagined that a single night could unravel the carefully woven fabric of my life reshaping it into something I no longer recognized It was a night I never saw coming a night that felt like a fleeting dream or perhaps a haunting mistake A night spent with him My boss The man who had always been a distant figure of authority someone I respected but never dared to cross boundaries with Yet in a moment of blurred lines and unspoken desires everything changed That one night became the catalyst for a chain of events I couldn t have foreseen Weeks later the truth hit me like a thunderclap I was pregnant The weight of those two pink lines on the test felt like a sentence a life altering reality I wasn t prepared for And just like that I was thrust into a marriage I never wanted a union born not out of love but out of obligation It was a decision made for the sake of the life growing inside me a child who deserved more than a fractured beginning But how could this marriage ever work How could two people who barely knew each other who had never shared more than fleeting glances and professional conversations build a life together There was no foundation of love no shared dreams no mutual understanding just the weight of responsibility and the shadow of that one night looming over us He was a man of few words my boss turned husband Cold calculated and always in control I often wondered if he resented me for this for the way our lives had become entangled Or maybe he resented himself for letting his guard down that night Either way the distance between us felt insurmountable We were two strangers sharing a roof bound by a child who hadn t even entered the world yet As the days turned into months I couldn t help but wonder if this was how my life would always be a series of quiet moments filled with unspoken regrets and what ifs
