**Literature and its Language** Garry L. Hagberg, 2022-10-29 This stimulating volume brings together an international team of emerging mid career and senior scholars to investigate the relations between philosophical approaches to language and the language of literature It has proven easy for philosophers of language to leave literary language to one side just as it has proven easy for literary scholars to discuss questions of meaning separately from relevant issues in the philosophy of language This volume brings the two together in mutually enlightening ways considerations of literary meaning are deepened by adding philosophical approaches just as philosophical issues are enriched by bringing them into contact or interweaving them with literary cases in all their subtlety
