Out of the Abyss Gary Bowers,2011-02-14 The Apostle Paul branded him the man of lawlessness The Prophet Daniel marked him as a little horn and a king John the author of Revelation stamped him as a scarlet beast The Apostle John labeled him Antichrist Many left behind after the Rapture will be amazed and terrified at his mysterious yet miraculous reappearance Who is this troublesome figure that will pervert all that is good and decent and right Is it possible to solve the number of the Antichrist before he appears Does the Bible promote or even permit identification of this man of sin who will personify and epitomize the Mystery of Iniquity Both believers and non believers have been perplexed and intrigued with these questions for centuries This book will propel you on an unforgettable voyage to the ancient Roman world to the very origin and lair of the beast to the 1st century Church to the Abyss and back again to the preemptive death and eternal destruction of Antichrist

to the mesmerizing visions of John Daniel and Zechariah and to high level heavenly counsels Out of the Abyss will expose and declassify that which has been concealed and classified To wit the secret of the beast presumed to be confidential until the body of Christ is taken from this earth You may not agree with where the journey takes you i e with the conclusions reached But with all his heart and utmost conviction the author believes you will enjoy the trip He proposes that at the very least you will be fascinated with the relevance and application of Scripture to some of the most astounding events in human history both past and future You will take part in and be enthralled with a partial refitting of the prophetic puzzle *The Number of the Beast, 666 (Revelation 13:16-18)* Michael George Michael,1998 **666 the Number of the Beast Or Antichrist** ,194?

666 is Sanctified Michael Hearn,2022-03-10 The research findings in this book show that the number 666 was an integral part of a long lost calendar matrix that the prophets used to map out the future **The 666 Beast Identified** Steve Wohlberg,2021 There is wisdom Let him Who has understanding calculate the number of the beast For it is the number of a man His number is 666 Revelation 13 18 Mystery The Number of The Beast 666 08-12-2023,□□□□ □□□□ The purpose of this book is to explain the correct way to interpret the number of the Beast 666 written in Greek with the letters based on the foundations of interpretation laid down by St Barnabas the Apostle in his educational letter known by his name and published in the letters of the Apostolic Fathers which is not the apocryphal gospel falsely attributed to him The number 666 in the Greek language consists of a sign that is an abbreviation of the name of Christ the name that Satan will take claiming to be the Messiah although in fact he is the Antichrist In addition to the number of the name of the Kingdom of Greece in Hebrew indicated by the head that has a sword wound and lived and this empire will be restored to existence in the last days by the hand of the little horn This is the second king or the second founder of the Greek Empire Where John saw in the vision two beasts the first beast to come out of the sea that is to come out of the nations referring to the Greek empire that will return to existence at the time of the end as the eighth empire and it is one of the seven empires that fell And the second beast emerging from the earth refers to Satan s exit from the abyss to reign on earth impersonating the name of Christ claiming that he is Elohim That is why he will sit in the temple of Elohim as God and show that he is God and in fact he is against God that is against Christ that is that he is the Antichrist We have included in this work an appendix containing an indication of the letters of the English Hebrew and Greek alphabets and their numerical values to find out the numerical values of the letters that make up the number of the beast **Decoding 666** Erika Grey,2024-05-30
