Covey,2014-08-19 From the multimillion copy bestselling author of *The 7 Habits of Highly Effective People* Dr Stephen R Covey illustrates how his principles of leadership can be applied to children of all ages In today s world we are inundated with information about who to be what to do and how to live But what if there was a way to learn not just what to think about but how to think A program that taught young people how to manage priorities focus on goals and be a positive influence in their schools *The Leader in Me* is that program In this bestseller Stephen R Covey took the 7 Habits that have already changed the lives of millions of readers and showed that even young children can use them as they develop These habits are being adapted by schools around the country in leadership programs most famously at the A B

Combs Elementary school in Raleigh Not only do the programs work but they work better than anyone could have imagined This book is full of examples of how the students blossom under the program from the classroom that decided to form a support group for one of their classmates who had behavioral problems to the fourth grader who overcame his fear of public speaking and took his class to see him compete in a national story telling competition Perfect for individuals and corporations alike The Leader in Me shows how easy it is to incorporate these skills into daily life so kids of all ages can be more effective goal oriented and successful

The Leader in Me Stephen R. Covey, 2008-11-18 The world has entered an era of the most profound and challenging change in human history Most of our children are not prepared and we know it Parents around the world see the change and know that the traditional three R s reading writing and arithmetic are necessary but not enough Their children need to become far more responsible creative and tolerant of differences They need to increase their ability to think for themselves take initiative get along with others and solve problems Business leaders are not finding people whose skills and character match the demands of today s global economy including strong communication teamwork analytical technology and organizational skills They need young people who are self motivated creative and have a strong work ethic How will we bridge this ever widening gap The Leader in Me is the story of the extraordinary schools parents and business leaders around the world who are preparing the next generation to meet the great challenges and opportunities of the twenty first century In 1999 the A B Combs Elementary School in North Carolina was on the verge of being cut as a magnet school and needed to find new ways to educate its students Teachers and administrators began teaching practical principle based leadership skills with remarkable results In a short time the number of students passing end of grade tests vaulted from 84 to 97 percent Simultaneously the school began reporting significant increases in students self confidence dramatic drops in discipline problems and striking increases in teacher and administrator job satisfaction Parents meanwhile reported equivalent improvements in their children s attitudes and behavior at home As news of the school s success spread schools around the world began adopting the mantra to develop leaders one child at a time Business and civic leaders started partnering with schools in their communities to sponsor teacher training and student resources Each school and family approached the principles differently but the results were the same attentive energized young people engaging in the world around them The best way to prepare the next generation for the future is to emphasize the value of communication cooperation initiative and unique individual talent for nothing undermines confidence more than comparison Whether in the classroom or at home it is never too early to start applying leadership skills to everyday life Drawing on the many techniques and examples that have already seen incredible success around the world The Leader in Me shows how easy it is to incorporate these skills into daily life It is a timely answer to many of the challenges facing today s young people businesses parents and educators one that is perfectly matched to the global demands of the twenty first century
