Since the beginning of the current wars in Iraq and Afghanistan, growing numbers of veterans have been diagnosed with post-traumatic stress disorder and treated for the condition. Symptoms include recurring nightmares, severe depression, and suicide. At least three hundred thousand veterans reportedly suffer from traumatic stress or major depression. Advocates for these veterans have proposed that they, too, should qualify for the Purple Heart. Since psychological injuries can be at least as debilitating as physical ones, they argue, soldiers who suffer these wounds should receive the medal.

Argument: Vets with PTSD should be eligible for PH because psych. injuries are as serious as physical.

After a Pentagon advisory group studied the question, the Pentagon announced, in 2009, that the Purple Heart would be reserved for soldiers with physical injuries. Veterans suffering

The Complete Guide to Writing Effective College Applications & Essays Kathy Hahn, 2016-11-30 Applying to college can be one of the most

stressful times in a student's life. Not only are you faced with the task of finding the perfect school for you but you also have to find scholarships to be able to go to the school you want. These two intertwining obstacles require a lengthy application and a seemingly perfect essay. The essay is crucial to demonstrate your values, creativity, and depth of knowledge, and the writing is important because it reflects your power of persuasion, organizational skills, and style. This newly revised book will teach you how to write effective applications and essays for college admissions and scholarships, helping shoulder some of the weight of applying. The second edition of *The Complete Guide to Writing Effective College Applications and Essays* has been updated to provide you with all the tools you need to complete your application and write a winning essay. You will learn how to choose a topic, keep your focus narrow and personal, edit and revise your work, tweak your essays to use them on various applications, choose your tone and structure, avoid common pitfalls, overcome writer's block, and make your application stand out from the rest. Additionally, you will learn strategies for getting started, requirements for application, critical writing tips, and what committees look for in an applicant. This book also has a catalogue of websites with scholarship opportunities, sample essays, and essay questions, and even examples of the essays specific colleges use. You will find those samples on the companion CD-ROM along with writing tips and additional resources. Admissions officers have chimed in with their expertise to provide insider information on how to compose impressive applications and essays for admissions and scholarships. Whether you are a high school freshman seeking a head start or a senior hoping to glean some last minute tips, this book is your answer.

The Broadview Guide to Writing - Sixth Edition Don LePan, Doug Babington, Maureen Okun, 2015-06-11. Increasingly, writing handbooks are seen as overproduced and overpriced. One stands out: *The Broadview Guide to Writing* is published in an elegant but simple format and sells for roughly half the price of its fancier-looking competitors. For the sixth edition, the coverage of MLA, APA, Chicago, and CSE styles of documentation has been substantially expanded, as well as updated. Also expanded is coverage of academic argument, writing and critical thinking, writing about literature, paragraphing, how to integrate quoted material into one's own work, balance and parallelism, and issues of gender, race, religion, etc. in writing. The chapter *Seeing and Meaning: Reading and Writing About Visual Images* is entirely new. The online materials, including the selection of interactive exercises, have also been revised considerably.
