A Writer's Reference with Writing about Literature Diana Hacker, Nancy Sommers, 2011. This version of the best-selling college handbook includes a tabbed section called Writing about Literature, a practical guide to interpreting works of literature and to planning, composing, and documenting papers about literature. Students will find help with forming and supporting an interpretation, avoiding plot summary, integrating quotations from a literary work, observing the conventions of literature papers, and using secondary sources. Writing about Literature also includes two sample student essays: one that uses primary sources and one that uses primary and secondary sources. The full primary texts are also included. Writing about Literature is also available in a packageable stand-alone booklet. ISBN 978 0 312 65684 3. Contact your sales representative or sales_support@bfpublish.com for a copy.

An EasyGuide to APA Style Beth M. Schwartz, R. Eric Landrum, Regan A.R. Gurung, 2014. This clear and concise book is designed to demystify the process of writing in APA style and format. With precise examples, both writing examples and Microsoft Word screenshots, *An EasyGuide to APA Style 2e* points out common APA style and formatting mistakes and how to avoid them. The book also provides an overview of the style and formatting changes for the 6th edition of the APA Publication Manual, providing detailed examples and complete sample student papers written to conform to APA format. The authors illustrate not only how to write using APA style but also what writing in APA style really looks like when your paper is complete. Written in a conversational and clear style, this guide will help anyone find their way through the maze of rules in the APA Publication Manual and become proficient in learning the fine points of APA style. The second edition of the *EasyGuide* contains additional writing tips and expanded discussions in each chapter. In particular, chapter 5 on plagiarism has been expanded to include more detail on topics like when and how to paraphrase appropriately and when to quote directly from a source. Also, the new edition provides examples from the latest
