## 7 Miles Second David Wojnarowicz:

7 Miles a Second Romberger, 2018-08-02      Seven Miles a Second David Wojnarowicz, 1996 David Wojnarowicz James Romberger illustrator This is the gripping autobiography of David Wojnarowicz a controversial world renowned artist and writer who died of AIDS related causes in 1992 This unflinching story chronicles Wojnarowicz s childhood of prostitution in New York City his homelessness and drug addiction and the devastating illness that made him a pariah and took t      The Lonely City Olivia Laing, 2016-03-01 Finalist for the National Book Critics Circle Award in Criticism 1 Book of the Year from Brain Pickings Named a best book of the year by NPR Newsweek Slate Pop Sugar Marie Claire Elle Publishers Weekly and Lit Hub A dazzling work of biography memoir and cultural criticism on the subject of loneliness told through the lives of iconic artists by the acclaimed author of The Trip to Echo Spring When Olivia Laing moved to New York City in her mid thirties she found herself inhabiting loneliness on a daily basis Increasingly fascinated by the most shameful of experiences she began to explore the lonely city by way of art Moving from Edward Hopper s Nighthawks to Andy Warhol s Time Capsules from Henry Darger s hoarding to David Wojnarowicz s AIDS activism Laing conducts an electric dazzling investigation into what it means to be alone illuminating not only the causes of loneliness but also how it might be resisted and redeemed Humane provocative and moving The Lonely City is a celebration of a strange and lovely state adrift from the larger continent of human experience but intrinsic to the very act of being alive      Queer Forms Ramzi Fawaz, 2022-09-06 Stepford wives and female men the radical differences of female replicants Entering the vortex avant garde science fiction film and the lesbian separatist frontier Beware the hostile fag acidic intimacies and gay male consciousness raising in The boys in the band Queer love on Barbary Lane the sexual politics of serial gay fiction in Armistead Maupin s tales of the city Stripped to the bone sequencing queerness in the comic strip work of Joe Brainard and David Wojnarowicz I cherish my bile duct as much as any other organ political disgust and the digestive life of AIDS in Tony Kushner s Angels in America Conclusion something else to be on friendship s queer forms      **The LGBTQ+ Comics Studies Reader** Alison Halsall, Jonathan Warren, 2022-09-20 Winner of the 2023 Eisner Award for Best Academic Scholarly Work Contributions by Michelle Ann Abate William S Armour Alison Bechdel Jennifer Camper Tesla Cariani Matthew Cheney Hillary Chute Edmond Edo Ernest dit Alban Ramzi Fawaz Margaret Galvan Justin Hall Alison Halsall Lara Hedberg Susanne Hochreiter Sheena C Howard Rebecca Hutton remus jackson Keiko Miyajima Chinmay Murali Marina Rauchenbacher Katharina Serles Sathyaraj Venkatesan Jonathan Warren and Lin Young The LGBTQ Comics Studies Reader explores the exemplary trove of LGBTQ comics that coalesced in the underground and alternative comix scenes of the mid 1960s and in the decades after Through insightful essays and interviews with leading comics figures volume contributors illuminate the critical opportunities current interactions and future directions of these comics This heavily illustrated volume engages with the work of preeminent artists across the globe such as Howard Cruse Edie Fake Justin Hall Jennifer Camper and Alison Bechdel whose iconic artwork is

reproduced within the volume Further it addresses and questions the possibilities of LGBTQ comics from various scholarly positions and multiple geographical vantages covering a range of queer lived experience Along the way certain LGBTQ touchstones emerge organically and inevitably pride coming out chosen families sexual health gender risk and liberation Featuring comics figures across the gamut of the industry from renowned scholars to emerging creators and webcomics artists the reader explores a range of approaches to LGBTQ comics queer history gender and sexuality theory memory studies graphic medicine genre studies biography and more and speaks to the diversity of publishing forms and media that shape queer comics and their reading communities Chapters trace the connections of LGBTQ comics from the panel strip comic book graphic novel anthology and graphic memoir to their queer readership the LGBTQ history they make visible the often still quite fragile LGBTQ distribution networks the coded queer intelligence they deploy and the community sustaining energy and optimism they conjure Above all The LGBTQ Comics Studies Reader highlights the efficacy of LGBTQ comics as a kind of common ground for creators and readers

*Cases of citation* Chloë Julius, Michael Green, Matthew Holman, 2024-09-24 *Cases of citation* presents a history of artists who incorporated literary references into their work from the 1960s onwards Through a series of object focused chapters that each take up a singular case of citation the collection considers how literary citation emerged as a viable and urgent strategy for artists during this period It surveys nine artworks by a diverse group of artists including David Wojnarowicz Lis Rhodes Romare Bearden and Silvia Kolbowski whose citations draw on literary works with authors ranging from Gertrude Stein to Jean Genet The book also features an interview with pioneering feminist artist Elaine Reichek that discusses her career long commitment to working with text Together the artworks and cited texts are approached from various critical angles with each author questioning and complicating the ways in which we can read textual citations in art

**New York Magazine**, 1993-09-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

*The Cambridge Companion to the American Graphic Novel* Jan Baetens, Hugo Frey, Fabrice Leroy, 2023-09-28 This book explores the important role of the graphic novel in reflecting American society and in the shaping of the American imagination It guides readers through the theoretical text image scholarship to explain the meaning of the complex borderlines between graphic novels comics newspaper strips caricature literature and art

*The Routledge Companion to Comics* Frank Bramlett, Roy Cook, Aaron Meskin, 2016-08-05 This cutting edge handbook brings together an international roster of scholars to examine many facets of comics and graphic novels Contributor essays provide authoritative up to date overview of the major topics and questions within comic studies offering readers a truly global approach to understanding the field Essays examine the history of the temporal geographical

and formal development of comics including topics like art comics manga comix and the comics code issues such as authorship ethics adaptation and translating comics connections between comics and other artistic media drawing caricature film as well as the linkages between comics and other academic fields like linguistics and philosophy new perspectives on comics genres from funny animal comics to war comics to romance comics and beyond The Routledge Companion to Comics expertly organizes representative work from a range of disciplines including media and cultural studies literature philosophy and linguistics More than an introduction to the study of comics this book will serve as a crucial reference for anyone interested in pursuing research in the area guiding students scholars and comics fans alike *Taking Turns* MK

Czerwiec, 2021-11-02 Fear of contagion isolated patients a surge of overwhelming and unpreventable deaths and the frontline healthcare workers who shouldered the responsibility of seeing us through a deadly epidemic as we continue to confront the global pandemic caused by COVID 19 *Taking Turns* reminds us that we've been through this before Only a few decades ago the world faced another terrifying and deadly health crisis HIV AIDS Nurse MK Czerwiec began working at the Illinois Masonic Medical Center's HIV AIDS Care Unit 371 in the 1990s a pivotal time in the history of AIDS Deaths from the disease in the United States peaked in 1995 and then dropped drastically in the following years with the release of effective drug treatments In this graphic memoir Czerwiec provides an insider's view of the lives of healthcare workers patients and loved ones from Unit 371 With humor insight and emotion MK shows how the patients and staff cared for one another how the sick faced their deaths and how the survivors looked for hope in what seemed at times like a hopeless situation Drawn in a restrained inviting style *Taking Turns* is an open honest look at suffering grief and resilience among a community of medical professionals and patients at the heart of the AIDS epidemic **No Straight Lines** Justin Hall, 2013-08-03 *No Straight Lines* showcases major names such as Alison Bechdel Howard Cruse and Ralf Koenig one of Europe's most popular cartoonists as well as high profile crossover creators who have dabbled in LGBT cartooning like legendary NYC artist David Wojnarowicz and media darling and advice columnist Dan Savage *No Straight Lines* also spotlights many talented creators who never made it out of the queer comics ghetto but produced amazing work that deserves wider attention Queer cartooning encompasses some of the best and most interesting comics of the last four decades with creators tackling complex issues of identity and a changing society with intelligence humor and imagination This book celebrates this vibrant artistic underground by gathering together a collection of excellent stories that can be enjoyed by all Until recently queer cartooning existed in a parallel universe to the rest of comics appearing only in gay newspapers and gay bookstores and not in comic book stores mainstream bookstores or newspapers The insular nature of the world of queer cartooning however created a fascinating artistic scene LGBT comics have been an uncensored internal conversation within the queer community and thus provide a unique window into the hopes fears and fantasies of queer people for the last four decades These comics have forged their aesthetics from the influences of underground comix gay erotic art punk zines and the biting commentaries of

drag queens bull dykes and other marginalized queers They have analyzed their own communities and their relationship with the broader society They are smart funny and profound No Straight Lines has been heralded by people interested in comics history and people invested in LGBT culture will embrace it as a unique and invaluable collection **Fire in the Belly** C. Carr,2012-07-17 A full length account of the life and times of the East Village artist and gay activist centers on the infamous 2010 censoring of *A Fire in My Belly* exploring Wojnarowicz's brutal childhood relationship with his contemporaries and early death from AIDS in 1992 30 000 first printing Graphic Embodiments Lisa DeTora,Jodi Cressman,2021-03-08 Comics and other graphic narratives powerfully represent embodied experiences that are difficult to express in language A group of authors from various countries and disciplines explore the unique capacity of graphic narratives to represent human embodiment as well as the relation of human bodies to the worlds they inhabit Using works from illustrated scientific texts to contemporary comics across national traditions we discover how the graphic narrative can shed new light on everyday experiences Essays examine topics that are easily recognized as anchored in the body as well as experiences like migration and concepts like environmental degradation and compassion that emanate from or impact on our embodied states *Graphic Embodiments* is of interest to scholars and students across various interdisciplinary fields including comics studies gender and sexuality studies visual and cultural studies disability studies and health and medical humanities *The Other 1980s* Brannon Costello,Brian Cremins,2021-06-02 Fans and scholars have long regarded the 1980s as a significant turning point in the history of comics in the United States but most critical discussions of the period still focus on books from prominent creators such as Frank Miller Alan Moore and Art Spiegelman eclipsing the work of others who also played a key role in shaping comics as we know them today *The Other 1980s* offers a more complicated and multivalent picture of this robust era of ambitious comics publishing The twenty essays in *The Other 1980s* illuminate many works hailed as innovative in their day that have nonetheless fallen from critical view partly because they challenge the contours of conventional comics studies scholarship open ended serials that eschew the graphic novel format beloved by literature departments sprawling superhero narratives with no connection to corporate universes offbeat and abandoned experiments by major publishers including Marvel and DC idiosyncratic and experimental independent comics unusual genre exercises filtered through deeply personal sensibilities and oft neglected offshoots of the classic underground comics movement of the 1960s and 1970s The collection also offers original examinations of the ways in which the fans and critics of the day engaged with creators and publishers establishing the groundwork for much of the contemporary critical and academic discourse on comics By uncovering creators and works long ignored by scholars *The Other 1980s* revises standard histories of this major period and offers a more nuanced understanding of the context from which the iconic comics of the 1980s emerged Popular Music Autobiography Oliver Lovesey,2021-12-02 The 1960s saw the nexus of the revolution in popular music by a post war generation amid demographic upheavals and seismic shifts in technology Over the past two decades musicians associated with this period

have produced a large amount of important autobiographical writing This book situates these works in the forms of formal autobiographies and memoirs auto fiction songs and self fashioned museum exhibitions within the context of the recent expansion of interest in autobiography disability and celebrity studies It argues that these writings express anxiety over musical originality and authenticity and seeks to dispel their writers celebrity status and particularly the association with a lack of seriousness These works often constitute a meditation on the nature of postmodern fame within a celebrity obsessed culture and paradoxically they aim to regain the private self in a public forum

**The Rise of the Graphic Novel** Alexander Dunst, 2023-07-20 Bringing digital humanities methods to the study of comics this monograph traces the emergence of the graphic novel at the intersection of popular and literary culture Based on a representative corpus of over 250 graphic novels from the United States Canada and Great Britain it shows how the genre has built on the visual style of comics while adopting selected features of the contemporary novel This argument positions the graphic novel as a crucial case study for our understanding of twenty first century culture More than simply a niche format graphic novels demonstrate how contemporary literature reworks elements of genre narrative reconfiguring rather than abolishing distinctions between high and low The book also puts forward a new historical periodization for the graphic novel centered on integration into the literary marketplace and leading to an explosive growth in page length and a diversification of aesthetic styles
