Wiersbe, 2015-07-01 How can we translate our concern for our country and the world into effective action This study explores the lives of four people in the Old Testament who also wanted to make a difference Amos who dared to stand for God's truth against the highest officials in the nation Obadiah who explained why longstanding family feuds bring defeat and disgrace Micah who showed why the only hope for any nation is surrender to the Lord and Zephaniah who saw the coming Day of the Lord and told people how to get ready Each of these prophets was called to deal courageously with the sin around them Learn from them how to bring change to your own community and nation starting where you are right now The Wiersbe Bible Study Series delivers practical in depth guides to selected books of the Bible Featuring insights from Dr Warren W Wiersbe's Be Concerned commentary this eight week study includes engaging questions and practical applications that will help you connect God's Word with your life [The Minor Prophets](#) Charles L. Feinberg, 1990-01-08 The Minor Prophets is a collection of expositional essays on each of the twelve prophets Dr Feinberg's work illuminates the life times and major emphases of these men of God Dr Feinberg brings to this work an unusual combination of talents and background He has a thorough knowledge of biblical Hebrew having trained for the rabbinate That combined with his scholarship in New Testament Greek qualifies him for an expert study of the Scriptures in the original languages In this work he carefully presents his own views as well as dissenting views of other biblical scholars These studies include full treatment of the historical and cultural settings of each of the twelve prophets and their writings *Minor Prophets II (Understanding the Bible Commentary Series)* John Goldingay, Pamela J. Scalise, 2012-07-01 The Minor Prophets are those dozen Old Testament books that in the time of Jesus were usually written on one scroll since they were all fairly brief The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six

Hosea Joel Amos Obadiah Jonah and Micah This second volume deals with the final six books John Goldingay writes on Nahum Habakkuk Zephaniah and Haggai Pamela Scalise takes on the longest Zechariah and the last Malachi Like the authors of other volumes in the NIBC Goldingay and Scalise utilize what is referred to as believing criticism when examining the biblical texts Based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers this balanced approach enriches both the academy and the church Following the series guidelines the authors clearly explain the texts with additional notes regarding interpretation and practical reflection For example Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon the Israelites needed to hear the word of God as a caution against their own pride and wickedness He goes on to suggest that modern readers must remember as well that the same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A separate section of notes at the close of each chapter provides additional textual linguistic cultural and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes
