Flight of Faith Frederick Berretta,2009 Plunged into the icy waters of the Hudson God spared Frederick Berretta s life in an instant and changed his heart forever Frederick Berretta was an amateur pilot himself so when U S Airways Flight 1549 struck a flock of geese and lost both engines minutes after takeoff from Laguardia Airport on that fateful afternoon of January 15 2009 he knew before most of his fellow passengers that something was seriously wrong As the roar of the jets quieted and the aircraft ceased to climb as the pilot guided the powerless plane towards a desperate crash landing and announced Brace for impact Berretta fingered the prayer book in his pocket and tried to prepare himself for death A multitude of thoughts flooded his mind all at once He reminded himself that the odds of surviving a water landing were slim to none He thought of his wife and his four children and how they would miss him He remembered he had just been to confession and to Mass and he wondered if his soul would be ready to meet the Lord And he knew he had to pray God please be merciful to us for the sake of your Son he whispered Please spare us I trust in you Jesus I trust in you Mother of God please pray for us At that very instant Berretta felt a push or nudge on his conscience a state of awareness he d never before experienced and a keen realization that he had to do something But what Then God s voice sounded strong and clear in the depths of his soul Are you going to accept My will for your life For Frederick Berretta the events of that fateful January day were the crystallizing moment of a lifetime of conversion This story tells how he lost his childhood faith and as a young adult embraced a selfish worldly life how he suffered through family turmoil and the death of a child and how by God s grace he slowly returned to the Church humbled and grateful God used the Miracle on the Hudson to confirm him in his faith and set him on fire to share it with others Flight of Faith is the inspiring true story of how God works in our lives in simple and extraordinary ways Read more at the Flight of Faith website

Something New with Saint Thérèse Suzie Andres,2020-03-26 Though St Th r se of Lisieux lived a short hidden life in a Carmelite monastery in a small town in France she predicted that

after her death the whole world would love her and promised to send a shower of roses spending her Heaven doing good upon earth until the end of time True to her word the Little Flower has favored countless souls with her friendship and her name and image can be found in every corner of the earth Pope St Pius X called her the greatest Saint of modern times and the nine popes following him have all endorsed her Little Way of Spiritual Childhood She is the Patroness of the missions alongside St Francis Xavier Patroness of France with St Joan of Arc and in 1997 Pope St John Paul II named her the 33rd Doctor of the Church And yet after 120 years of this young nun s universal acclaim author Suzie Andres has found something brand new to say about St Th r se Taking a little known petition from Th r se s Act of Oblation to Merciful Love the author reveals a Eucharistic miracle that the Little Flower not only lived but promoted among those close to her This book begins with an explanation of St Th r se s Eucharistic miracle and goes on to find evidence of this miracle in the lives of other great Saints from Margaret Mary to Padre Pio The author then uses Th r se s own arguments to prove that this particular grace as well as the Act of Oblation to Merciful Love is meant for all little souls Something New with St Th r se is an invitation to readers to take further steps along the Little Way and into the Eucharistic Heart of Jesus *How to Read Your Way to Heaven* Vicki Burbach, 2017-01-24 Many of us commit to some form of spiritual reading but we find that our book choices are sporadic and often based on a whim rather than following a purposeful plan Designed for individual or group settings *How to Read Your Way to Heaven* will guide your quest to delve deeper into a relationship with Christ by meditating on the written word while organizing your reading around the four pillars of the Catholic Faith the Creed the sacraments morality and prayer *How to Read Your Way to Heaven* is not merely another book to read It is designed to be an invaluable tool for guiding and organizing your reading to help you on your journey to become a saint And best of all this fully integrated do it yourself spiritual reading program that can be easily followed by the busiest of Catholics with the tightest of schedules By following this plan you ll meditate daily on Sacred Scripture and read the entirety of the Catechism over the course of the program You ll be introduced to a treasure trove of the greatest Catholic books ever written and you ll learn prayerful reading methods such as lectio divina as well as time tested advice on where and when to read Here you ll also find a list of the favorite books by leading Catholics of our day including Bishop James Conley Fr Mike Schmitz Fr C J McCloskey Jennifer Fulwiler Peter Kreeft Patrick Coffin Karl Keating Lisa Hendey Fr Timothy Gallagher Mike Aquilina and so many more Spiritual reading arms us for battle We are called to be saints and yet daily we are bombarded by a culture that drives our minds and hearts away from the supernatural life Because what we choose to read makes a significant difference in our spiritual growth and understanding we present this structured reading guide to help you read with a purpose **33 Days to Morning Glory** Michael E. Gaitley, MIC , 2011-12-08 Now an ebook With over 200 000 books in print *33 Days to Morning Glory* by Fr Michael Gaitley MIC is now available as an ebook through Marian Press Embark on an extraordinary journey to Marian consecration on your e reader From Fr Michael E Gaitley MIC author of the popular book *Consoling the Heart of*

Jesus comes an extraordinary 33 day journey to Marian consecration with four giants of Marian spirituality St Louis de Montfort St Maximilian Kolbe Blessed Mother Teresa of Calcutta and Blessed Pope John Paul II Father Michael masterfully summarizes their teaching making it easy to grasp and simple enough to put into practice More specifically he weaves their thought into a user friendly do it yourself retreat that will bless even the busiest of people So if you ve been thinking about entrusting yourself to Mary for the first time or if you re simply looking to deepen and renew your devotion to her 33 Days to Morning Glory is the right book to read and the perfect retreat to make *The Word is Very Near You* Fr. Wilfrid Stinissen, O.C.D., 2020 My wish writes Father Wilfrid Stinissen is to give some simple advice on how we can draw nearer to God s Word and let it penetrate us in order that it will bear fruit in our lives The acclaimed spiritual writer and Carmelite priest says that all Christian literature and preaching are nothing more than an attempt to explain and interpret what God himself has spoken to us in the Bible God is active in his holy Word and he is also active in man s seeking and study in his research and knowledge In Judaism the study of Scripture has always had a prominent place and the same is true of Christianity from the beginning as can be seen above all in the writings of the Church Fathers Some modern scholars have also made important discoveries that help illuminate even more the Bible s broad colorful vistas Yet without prayer scholarship is only superficial glitter destined to fade away Father Stinissen teaches that prayer and the reading of Scripture belong inseparably together and he shows the reader how combining them leads a person to close communion with God **Heaven on Earth: The Order and Meaning of Mass** Ralph Barnett, 2024-03-26 The Catechism of the Catholic Church encourages parents to catechize their children Parents duty to educate their children is instinctive and inalienable Parents have the first responsibility for educating their children Parents role in education is so important it is near impossible to offer an adequate substitute By marriage parents receive the responsibility of evangelizing their children Parents educate their children to fulfill God s law As first heralds parents should initiate their children into the mysteries of the faith Education in the faith by parents should begin in the child s earliest years Family catechesis precedes other forms of religious instruction in the faith But catechize on what and how As a cradle Catholic father grandfather layperson and ardent student of our Faith I offer a suggestion based on common sense and a book series We re living through the greatest loss of faith in the history of the Catholic Church a refrain reverberating thru Catholic America Likely you are familiar with the statistics 25% percent decline in Mass attendance 15% of churches closed and or consolidated 65% of Catholics do not believe in the Real Presence Catholicism the largest Christian creed followed closely by fallen away Catholics America s religious decline is not new Experts claim Christianity has been on decline since the removal of prayer from public schools in 1962 Catholic school enrollment declined concurrently Yet prayer was not removed from Catholic schools Predictably Mass attendance followed What changed Catholic authorities proffered explanations and recommendations none of which stemmed the tide a sure sign the root cause was not rightly identified What changed was the equivalent of removing the pillar of prayer from public

schools Mass was removed from Catholic catechesis school CCD RCIA adult formation ambo and domestic church A cursory look at a Baltimore Catechism the 1950 60s field manual for Catholics reveals a 30 page segment Catechism of the Mass immersing students in liturgical details A cursory look at current Catholic curricula reveals a paucity of information on Mass ranging from a few paragraphs in texts for schools and homeschool to take home trifolds for CCD RCIA etc Is Mass that important Did you know Mass Is the only sacrifice perfect pleasing and acceptable to God Is the most sacred function of the Church surpassing all others in efficacy Is the Church s greatest prayer Is the Church s 1 effort to save souls Is the same sacrifice Christ made on the Cross Is the perfect answer to prayer as it brings mercy and salvation Christ won for us Is required attendance every Sunday and six Holy Days a year but Communion only once Is the Source and Summit of our Faith Is Heaven on Earth Seemingly Mass is the answer to everything integral to Catholicism Why is it not taught in Catholic education settings How do we reverse the tide Catholics must re assess school CCD RCIA adult formation school and homeschool catechesis to make space for a deep dive into Mass To fulfill the need I submit a book series Catechism Curriculum for Catholic Homeschool which includes a 163 page text accompanied by a workbook with fifty one lesson reviews containing 1 600 questions The series is not a theological or academic treatise but a user friendly step by step guide to Mass for homeschool catechesis unlike anything available elsewhere Author s Promise Your family will never ever go to church attend Mass or receive Communion the same way again [Stories about Saint John Paul II](#) Wlodzimierz Redzioch,2015-06-26 While shaping the history of the Church and the world Pope John Paul II lived his daily life among individuals who knew him closely as a spiritual father a colleague and a friend They both served and were served by the most influential saint of the twentieth century Polish journalist Wlodzimierz Redzioch a longtime employee of the Vatican newspaper L Osservatore Romano interviewed almost two dozen men and women for this book Among them are lifelong friends who knew the pope as Karol Wojtyla in Krak w and people who cared for him during his pontificate such as his physician and his secretary Also here recalling their memories of the pope are some of those who worked beside him inside the Vatican a papal photographer a papal spokesman and curial officials including the German cardinal who became his successor Joseph Ratzinger All of those interviewed tell remarkable stories about Pope John Paul II beginning with his courageous witness in Communist Poland and his important participation in the Second Vatican Council continuing through his election to the papacy and the challenges of his pontificate and ending with the sufferings of his final years The process of his beatification and canonization is also discussed Through these previously unpublished stories and anecdotes a composite portrait emerges of a prayerful and thoughtful man with heroic faith hope and charity Capable of discussing listening and delegating John Paul II was also a decisive leader who unabashedly defended the Catholic faith With his natural flair for friendship and his gifts of joy and humor he had a tremendous impact on the world because he deeply touched the hearts of countless people everywhere **The 'One Thing' Is Three** Michael Gaitley, MIC,2015-02-15 With humor and ease Fr

Michael Gaitley MIC deftly unlocks the one thing the key to the Church's wisdom and the greatest mystery of the Catholic faith the Most Holy Trinity Far from being an academic read *The One Thing Is Three* makes deep theology accessible to everyday Catholics Further it makes even what's familiar or forgotten new exciting and relevant *Moving Meditation* Mary Jo Ricketson,2011-11-10 We all have within us a potential to experience optimal well being of mind body This potential the Good Within is our inherent and true nature The mind body is an amazing gift of God Mind Body Training provides the exercises to help us remember our true nature and bring the Good Within to life Through our work on and off the mat we learn to be vital energized stable and strong We develop a willingness to persevere while maintaining a sense of ease a flow to our movements that some call grace Our attention is focused and we are ready and able to respond to all that life brings As we increase our awareness of the mind body as an amazing gift we unleash its potential to serve as an instrument of God's goodness and love Dear Reader I hope that you will come to love this work as you sense the vital energy that it awakens in you Peace Mary Jo **The Imprinted Survivor** Susan Steen Ciolek,2013-04 This captivating journey takes the reader down a path in time with the author and cancer survivor as she seeks to find answers to the inner strength she found as she battled to survive More than just a memoir Susan Steen Ciolek follows a path not often traveled merging a link to her ancestry and her faith in God through the battles she fought and won A tribute to life and all those who came before leaving their imprints that we share in today and hope for tomorrow Cancer survivor Sue Ciolek invites us to travel with her as she journeys into her family history and her faith searching for the source of the strength she found to fight her illness Her journey shows us that there is much to be gained from our connection with those who have preceded us and through our perseverance in suffering much we can pass on to those who follow us Out of even the most fearful confusing and painful circumstances can come a deeper awareness a new appreciation of life and a comforting trust that God can indeed work all things to good for those who love Him Vinny Flynn Director MercySong **Eternity in the Midst of Time** Wilfrid Stinissen,2019-01-01 Can time be our friend At first glance the question seems ridiculous because the apparent scarcity of time is a constant source of stress in our busy lives There are not enough hours in the day we say as we collapse late at night Deep down we know that we cannot go on like this Father Stinissen's book dares us to see time with new eyes The insight that eternity is written in the depths of our hearts helps us to live in time in a way that leads us deeper into God's joy We are like children in a land of fairy tales where everything is exciting and exploration never ends We therefore should rejoice that everything around us is great and mysterious and that we can live in eternal wonder His intention is not to explain what time is and thus take away its mystery Instead his aim is to show us how to see time from different perspectives and to discover how rich and multifaceted it is Above all he demonstrates how we can make use of the tremendous possibilities that time offers to us
