7 Ways to Lead Andre Young,2021-05-04 A common sense guide to becoming a better leader and achieving a healthy work life balance in order to live your best life The number one complaint from many companies is Our leaders don t know how to lead Why would they Most people are promoted because they did one thing really well or outlasted their addicted to average co workers teammates not because they knew how to lead Andre Young s favorite example is You sold a million dollars worth of product You are now the Sales Manager They haven t proved they can manage or lead anyone they ve only proven they can sell a million dollars worth of product their way Work Life Harmony is more important now than it s ever been The notion of leaving home at the door before entering work and leaving work at the door when entering home is obsolete The fact that cell phones are always accessible means significant others relationships and outside life now enter work with every employee ALL DAY So when things are bad intimately parentally and socially it shows up at work with employees trying to do their job in between responding to ten pages of Hate Texts In contrast when that same employee returns home their phone may continue to ring with work emails work texts etc If they respond they ve effectively communicated it s okay to invade their time If they don t it doesn t erase the anxiety of not responding or knowing a pile of work is building up There may not be a true balance between both realms but 7 Ways to Lead helps leaders find and create harmony between the two
